

The Gorgie Dalry Community Council exists to support our community and to express its views to local government and public authorities. If you want to get more involved in your community, or you'd like support dealing with the problems of living in the city (ie noise, litter, parking, anti-social behaviour, etc), then please come and join us. Everyone is welcome!

**St. Martin's Church
232 Dalry Rd.
EH11 2JG**
